

HYBRIDOMA CELL LINES SAG1 AND MIC2

[Sibley, Laurence](#)

[Gill, John](#)

T-018970

2 murine hybridoma cell lines producing antibodies against *Toxoplasma gondii* proteins SAG1 and MIC2

SAG1 (DG52) publication: [Molecular analysis of the gene encoding the major surface antigen of *Toxoplasma gondii*](#)

MIC2 (6D10) publication: [The *Toxoplasma* Adhesive Protein MIC2 Is Proteolytically Processed at Multiple Sites by Two Parasite-derived Proteases](#)
